

# Benefit for Bolivia

Rich's Foxwillow Pines Nursery, Inc.

Saturday, June 3, 2017 9am-4pm

Mano a Mano International Partners is a small yet powerful organization working to improve lives in rural Bolivia. Their work focuses on building hospitals, schools, roads and irrigation projects. Sales of hostas and colorful handicrafts made by Bolivians benefit the charity. Previous efforts raised enough funds to build and dedicate a school in Sora Sora in honor of Margaret Eyre. Rich and Susan Eyre have visited Bolivia and seen first-hand how Mano a Mano's efforts have changed lives for the better. [www.manoamano.org](http://www.manoamano.org)
